

PROFESSIONAL MEMBER DIRECTORY

CHADD OF NORTHERN VIRGINIA

Dear CHADD of Northern Virginia Member:

We are pleased to present you with CHADD of Northern Virginia's Professional Member Directory, an *exclusive benefit* of your membership in CHADD and in our chapter. In this directory, you'll find a wide array of professionals who offer their services in the management and/or treatment of AD/HD. You'll find services for children and adults with AD/HD, as well as for others (such as parents and partners) who are affected.

We invite you to submit suggestions of other professionals serving your area or other areas of Northern Virginia for inclusion in future directories.

Thank you for your continued membership in, and support of, CHADD of Northern Virginia.

CHADD (Children and Adults with Attention Deficit/Hyperactivity Disorder) is a nonprofit organization that provides information and support to parents of children with attention deficit disorders; adults with attention deficit disorders; and others dealing with those affected by attention deficit disorders. Through monthly meetings with guest speakers, a periodic newsletter, support groups, and the caring of other parents, as well as education and health care professionals, CHADD members form a supportive network to exchange helpful ideas about raising and educating children with attention deficit disorder.

The **Professional Member Directory** of CHADD of Northern Virginia is a list of professional members of Chapter 115 of CHADD. These professionals provide services and guidance to AD/HD clientele and their families. (This list does *not* include all the qualified AD/HD service providers in the local community.) The purpose is to provide a resource list and reference guide to the membership of CHADD of Northern Virginia. It is provided to members and referenced by others only per policy and agreement of the Board of Directors of CHADD of Northern Virginia. CHADD of Northern Virginia does not recommend or endorse any specific professionals.
